Mr. Leo Lessoil
Bell Canada
1006 Mountain
Montreal. Quebec

Dear Mr. Lessoil:

I am writing to you to acknowledge our recent telephone conversation regarding the Bell Canada telephones borrowed by Cinepix, Inc.

Cinepix originally borrowed twenty telephones for use in our production, "Le Pacte." Of these, seven were lost or stolen due to the heavy traffic during production and the numerous shifts in locale.

We greatly regret the loss of these phones and will take gains in the future to avoid repetition of this unfortunate incident.

Bell Canada will be given free publicity and your telephones will be shown to best advantage in the film.

We remain staunch supporters of Mother Bell,

Sincerely,

Alfred Pariser
Administrator
