

HEAVY METAL SUMMER

A quiet wilderness campground gets a heavy metal infusion...

When some wild and wacky heavy metal rockers arrive on the scene.

As nature loving city girls take a quiet stroll...

The heavy metal rockers are checking out the foxes.

The foxes can't believe what they're seeing. These guys are wearing more make-up than Zsa Zsa Gabor.

"What is this place? Zombieville? Man, it looks like the camp of the living dead."

"Aren't there any good-looking hunks around here?"

"Just my luck. Nerds. Nothing but nerds. Yuk!"

"Liven up! It's time for some rock 'n roll!"

"Just a heavy metal summer... That's the spell you're falling under."

"Hot music! I hope they're rocking at the party tonight."

"Hey, wanna' rock 'n roll with a heavy metal man?"

"Get it on with you? I'd rather die first!"

"Don't fight it babe. We were meant for each other. Dontcha' know?"

Are you ready for the wilderness challenge race?

Which of these over-achievers will win the \$15,000 prize?

It's a big park. No one is going to notice a little toxic waste.

"They've dumped on me for the last time!" Meanwhile...

He's so good-looking without his heavy make-up ...She'd look so good in leathers and chains.

"I told you you'd learn to love heavy metal music if you gave it a chance."

Who wouldn't when you get to jam with Ted Nugent.
