Dear Sir,

FILM: "ILSA, SHE WOLF OF THE SS"

I refer to your letter of 7 August, 1975, in which you ask for the reasons for banning the film mentioned above.

The reason is that "there is a likelihood that its showing in a public place would cause deep shock or disgust" to the average member of the audience, for its sexual and violent contents. (Standards, Paragraph 5 (i). In addition, the film "displays ... unnecessary detail (and) at unnecessary length ... violence (and) brutality" and sadism. (Standards, Paragraph 6 (d).

Let me remind you that you have the right to appeal against this decision before 4 September, 1975.

Yours faithfully,

(Pierre Lebrun)
Chief Film Censor

Mr. James E. Gubersky,
Managing Director,
