Dear Mr. Dunning:

My good friend, Dave Friedman, suggested that I contact you regarding possible foreign sales on the Nazi picture. I have been doing quite a bit of foreign sales for Dave and for other people in the industry although my company is relatively new.

I would like to discuss this with you over the phone and see if we can't get together on handling some product for you.

Please give me a call at your earliest convenience at the number above and we will see what can be done.

Thank you very much and I send my kindest regards

Sincerely,

Jim Shea
