Toronto, Ontario.

Dear Ken:

It was pleasant talking to you and Peter Hass in Toronto and I was sorry that you could not attend the party which was quite a gas as you must have seen by the newspapers. As I told you on the phone, production is getting close and I will be able to send you a tentative budget within the next week.

I would very much like for you to come down and see our films with Peter and talk again with Jean Beaudin.

It might be interesting for you to know that LOVE IN A FOUR LETTER WORLD, which got very bad reviews in Toronto and bad reviews in Montreal has returned 90% of its costs to the investors without release anywhere in the world, except Quebec and Toronto.

Looking forward to reading you shortly on this matter and with best regards, I remain,

Yours very truly,

CINEPIX INC.,
