Dear Wayne:

RE: LORENZO LAMAS

This is to officially notify you that we would like to exercise our option on Lorenzo Lamas's 'SnakeEater' contract for the sequel tentatively titled 'SnakeEater's Revenge'. We anticipate a budget of \$2,000,000.

Our shooting schedule will require Lorenzo for seven weeks (based on a 5 day week) beginning March 27th and ending May 12, 1989.

We anticipate completing the shooting within 25 days but as a precaution would like to insure ourselves with a full 35 days (seven weeks). Anything over the seven week period, we would like to be able to hold him at a daily prorated rate. It is up to your negotiations as to how many days you can get us.

Once again, we would like to get all of the benefits you negotiated for us in his first contract, copies of which are enclosed.

Also, your best efforts in obtaining for us another sequel option at \$150,000, 5% of the budget, with a couple of more points over what he received in the last one.

Yours truly,

CINEPIX INC.
